

Dear Parents,

In our effort to continue to improve the services and education we provide our students, we would like your input. Please take a few minutes to click on the link below and access our school survey or use the QR code provided on the bottom.

This survey will give the school district specific feedback about the effectiveness of our school. The survey can be completed from any computer that has internet access. It will only take 3-5 minutes to complete and the responses will remain anonymous. Please use the “neutral” indicator if you lack knowledge on a particular question. The survey link will be open until March 12, 2021. ***We ask that you complete one survey for each child that you have at WES.*** We are encouraging 100% participation and will be rewarding students whose parents note in their child’s planner that the survey has been completed.

Your child will be rewarded with a small prize for turning this paper back into his/her teacher. Thank you for taking a few minutes to provide your input.

Regards,
Diana Greer
