CHAMPIONS

**WE'RE
ACCREDITED!**

An accredited program is one you can trust.

How can we create even better partnerships with schools and districts—to support your student body when school is out?

This question shapes who we are. It's why we're constantly looking to push ourselves further. And that's why, for the last 10 years, we've made a continuous commitment to earn and re-earn Corporate Accreditation from Cognia™.

A safe, caring learning environment for your students

An engaging, thought-provoking curriculum, support resources, and instructional strategies that benefit your student body

Leaders and staff who are passionate about, and committed to, the purpose and mission of our program: to create exceptional learning experiences for kids

Continuous quality control over all areas including human resources, operations, marketing, and leadership so we can provide operational excellence that supports an efficient, accountable and effective partnership with you

These are just some of the ways we'll help your students rise to their next challenge—in the classroom and beyond.
